Safety PIN (Publishing Industry News) is Imago's **Safety Newsletter** in the form of an online subscription blog. The blog is updated frequently as events unfold, to bring you real time news relevant to the international publishing industry. Our subscribers enjoy updates to their inbox and we also run regular special features and FAQs to highlight topical issues.

Our editor is Diane Greaves who many of you will know from our Safety Training Courses. Diane has worked in the area of children's product safety for over twenty years, starting as a Laboratory Manager and Auditor and, for the last six years, as an independent consultant for many of the High Street names including Marks & Spencer and Hallmark and several leading publishers. Diane is a member of a number of BSI committees including CW15 (Safety of Toys) and is well positioned to share (and thankfully decipher!) relevant news and developments which will impact specifically on publishers.
